CRISPY

Crocchiagusto™ Dough

List price: +2,00

AVAILABLE IN SIZE:
CROCCHIAGUSTO

Water, organic whole spelt flour, type "1" soft wheat flour, iodised salt, extra virgin olive oil, brewer's yeast.

In preparing our doughs, we follow guidelines related to digestibility and taste.
The doughs are used only after complete maturation following a slow and controlled leavening of over 48 hours.

REGULAR PIZZA

Round pizza, 12.6-13 inches in diameter. In this size you can choose only one flavour (for example: Capricciosa).

CROCCHIAGUSTO™ PIZZA

Rectangular pizza, about 11.8-8.7 inches.
All BonGustaio pizzas can be made with **CROCCHIAGUSTO™** Dough on request.
This kind of pizza has a rectangular shape, is crispy and high due to the large percentage of water added to the dough and highly soft thanks to the double leavening.

MAXI PIZZA

Round pizza, 17.7-18.1 inches in diameter, dedicated to families or groups. In this format it is possible to order one or two flavours (for example: half Capricciosa + half Diavola).
